

STARTS OUT BRIGHTLY

Organization of Va. Board of Trade Perfected Yesterday.

PRESIDENT C. W. PRIDDY

Public-Spirited Norfolk Gentleman Chosen First Executive Officer—Annual Meeting in June, to Serve Virginia in Many Ways.

The Virginia State Board of Trade was organized at a meeting of representatives from ten Virginia cities, held yesterday at the Chamber of Commerce.

The body of representative, public spirited men who have the interest of the State at heart was called to order at noon by Mr. C. W. Priddy, of Norfolk. Those present were Messrs. J. M. Hurt, of Blackstone; W. T. Paxton, of Buena Vista; W. T. Hodnett, of L'Anville; J. L. Patton and O. O. Batcher, of Newport News; T. S. Southall, C. W. Priddy and W. H. Lumsden, of Norfolk; General Smith, of Petersburg; Hon. R. H. Angell, of Roanoke; H. C. Braxton, of Staunton; J. B. Plummer, of Suffolk; and J. C. Freeman, Thomas B. Armistead, W. C. Bentley, Hayard B. Billings, Linton O. Miller and R. G. Hennells, all of Richmond.

Alexandria, Berkeley, Fredericksburg, Portsmouth and South Boston were not represented yesterday, but are members, and sent letters expressing interest and regret at the absence of delegates.

The object of the general board is to concentrate and also render universal the power of the several boards throughout the Commonwealth. Matters that are of State importance and welfare will not have an advocate in a strong central organization. The constitution adopted yesterday afternoon is very similar to that which was the basis of the Virginia board, adopted more than ten years ago. Officers for the first year were chosen to be: President, Mr. C. W. Priddy, Norfolk; First Vice-President, Mr. James R. Gordon, Richmond; Second Vice-President, Mr. M. Kivlighan, of Staunton; Third Vice-President, Mr. W. D. Gilliam, Petersburg. The secretary was not chosen.

The annual meeting will be held in June, and each board of trade or chamber of commerce will be entitled to three memberships in the general board.

CHINESE BEVERAGE

Local Representative of Wing On Wo Paroled by Justice John.

Wing Tong, the local representative of Wing On Wo, who had been arrested on the charge of selling intoxicating drinks without a license and on Sunday, was paroled by Justice Crutchfield yesterday.

The case was examined into carefully. Mr. George B. Wise, for the prosecution, introduced Mr. Warren H. Stuart, of the Union Theological Seminary, who testified that he had lived in China for a number of years, and customs. He said the liquor under question was intoxicating; that it was commonly known as rice wine, and that it was used extensively by Chinese.

The technical name of the beverage is, "There is no name for it." Under the circumstances the Justice did not think it advisable to fine the Chinaman, but he took the matter under consideration, and warned the man not to sell any more of the stuff.

Wing Tong was recognized for his appearance whenever needed. The beverage has a taste similar to that of a mixture of gin and apple brandy, and looks like the latter.

City Hall Courts.

With a verdict for \$27.60 in favor of each of the joint plaintiffs, the suits of J. T. and E. C. Plunkett against the Richmond Traction Company, which have been on trial in the Law and Equity Court for the past two days, were terminated yesterday morning.

As stated in The Times-Dispatch, the father and son were asking damages on the grounds of having been put off at Main-Broad-Reservoir Park car because they refused to pay their fare, having been instructed by a conductor of a Lombardy-Street vehicle that no transfer was necessary.

The cases, which were tried jointly, were bitterly contested by the car company.

MANN BILL IN GOVERNOR'S HANDS

Document 137 Pages Long Has Five Days to Read It.

Governor Montague received yesterday the General Revenue bill, to which is attached the Mann Liquor bill. He has five days in which to consider it and it was sent to the mansion yesterday afternoon for the Executive perusal. The bill is not only one of the most important ever passed by the Virginia Legislature, but one of the longest. If not the first in that respect, it makes in manuscript one hundred and thirty-seven pages of the very large paper used for the enrollment of bills.

The Governor yesterday returned with his approval House bill No. 90, putting into operation the Corporation Commission and prescribing its functions.

Several bills are now in the hands of the Governor. Among them that which authorizes that money paid by saloon men for license be refunded where the privilege has been taken from them by local option, another, to allow the Auditor of Public Accounts to pay State officials semi-monthly instead of monthly as at present; and yet another, to give titles and titles to the State of Virginia to dispense with the use of screens and to be closed within certain hours.

NOT CLOSED YET

Prominent Officials Here Yesterday, but Nothing Done.

The presence in the city yesterday of Mr. T. B. Yule, of New York, head of the last department of the American Tobacco Company, Mr. Reynolds, of the Reynolds Tobacco Company, and other prominent officials, was made the basis for a rumor to the effect that the negotiations for the sale of the T. C. Williams Tobacco Company to the British-American, was to be closed yesterday. Mr. Williams stated last evening, however, that the report was not correct. There have been no further developments in connection with the snafu.

The local tobacco market is slowly recovering from the sudden removal of the T. C. Williams Company, the largest independent buyer in sun cured. Prices were somewhat better yesterday.

QUIT AND EAT.

Some Coffee Tales.

Show a woman an easy, comfortable and healthful way to improve her complexion and she will be naturally interested. Coffee is the one greatest enemy of fair women, for in the most of cases it directly affects the stomach, producing slight, and sometimes great, congestion of the liver and therefore causing the bile to be absorbed in the system instead of going the natural way. The result is a sallow, muddy skin and a train of diseases of the different organs of the body which, in all too many cases, develop into chronic diseases.

A lady speaking of how coffee affected her says: "It was very bad for me, but while drinking it was under the care of the doctor most of the time for liver trouble, and was compelled to take blue mass a great deal of the time. My complexion was bad and I had a pain in my side steadily, probably in the liver. I was told to quit coffee and take Postum Food Coffee I had it made carefully, and from the very first cup I liked the taste of it better than any of the old coffee."

"In a short time the pain left my side and my friends began to comment on the change in my complexion and general looks. I have never seen anything equal to the good I got from making this change."

"A young lady in Philadelphia named whose life was almost a burden from indigestion and the train of evils quit coffee some months ago and began on Postum Food Coffee. He quickly recovered and is now well, strong and cheerful and naturally loud in his praises of Postum."

Another friend, an old gentleman of seventy, named who for years suffered all one could suffer and live from dyspepsia, and who sometimes for weeks could eat no bread or solid food, only a little weak gruel or milk, quit coffee upon my recommendation and took up Postum. He began to get better at once. Now he can eat rich pastry or whatever he likes and is perfectly well."

Names given by Postum Co., Battle Creek, Mich.
